

# Universal Mount Back-up Alarm 100 Series

One of the most rugged, heavy-duty alarms on the market. These alarms are designed to withstand the most punishing environments. They have #8-32 UNC terminal studs on the back of the unit. Used by major OEMs. OEM design housing mounts on 6" (152 mm) centres. Weight: 2 lbs. 4 oz. (1.02 kg). The self-adjusting alarm model automatically adjusts to 5 decibels above the surrounding noise.

Preco offers a complete line of alarms with various sound levels and operating voltages to meet your alarm requirements on a broad range of equipment and work environment noise levels. The back-up alarm selected should have a sound level that is audible above the surrounding noise level.

## Features

- Rugged, heavy-duty alarms popular with OEMs
- Withstands harsh environments
- Self-adjusting alarms adjust to 5 decibels above surrounding noise
- Industry standard size and mounting holes
- Warranty: 2 years

Part no.	Model no.	Decibels	Sound Level	Voltage	Connection	Max. Current	Weight	Approvals	SAE Class
