

VR EVO 8-Series Winches

Fast, Efficient, and Reliable Pulling Power!

Ideal for 2-door Jeeps and lighter SUVs for everyday pulls and getting yourself out of trouble. The VR EVO 8 and 8-S feature IP68rated waterproof construction, an ultra-reliable Albright[®] contactor inside a relocatable control pack, and a state-of-the-art, two-inone remote for added ease of use and versatility. With its fast line-speed and lower amp draw, the VR EVO series of winches are the hardest-working, standard-duty winches we've ever made, with tactical styling that looks great up front and at a price that won't pull you out of your budget.

- A powerful series-wound motor and planetary gear train deliver faster line speed under load with a lower amp draw.
- IP68-rated waterproof winch construction keeps the elements out.
- The high-performance Albright[®] contactor delivers maximum reliability.
- Control packs can be relocated for low-profile installations.
- Durable, one-piece, cast-aluminium tie-plate for added

strength and durability

- A two-in-one remote with wired and wireless options for ease of use and versatility
- Available with wire or synthetic rope
- Limited lifetime warranty for mechanical parts and 7 years on the electrical
- Designed, engineered, and tested by WARN engineers in the U.S.A.

VR EVO 8-S (9.5 mm x 27.4 m synthetic rope)
