

Get the most out of your mobile mining investment!

Attached to mobile equipment, **Muirhead®** reliably prevents premature failures and unexpected breakdowns, resulting in profitable mining operations.

Backed by exceptional support, service and training, **Muirhead®** improves operator safety, reduces equipment maintenance and repair costs, diminishes downtime and extends plant life.

The **Muirhead®** range has numerous products available for water and service trucks including:

Water Truck/Service Truck

Over RPM warning: A variety of systems available for the monitoring, alarming and recording of engine over RPM events.

Hoist controls: Designed for use on later model trucks where the PWM hoist control has been utilised as a pump drive.

Brake controls: Designed to control speed, so engines will run at an optimum rate, reducing the potential for damage or excessive wear.

Water Truck

Water spray controls: A variety of solutions to control the water spray heads. These systems often integrate with other RCT controllers to provide a complete water truck solution.

Automatic throttle controls: These systems incorporate various types of machine interlocks enabling an automatic throttle up control for dispensing water when the truck is stationary.

Road speed limiters: Systems designed to limit the ground speed of site vehicles.

Brake oil over temperature systems: Designed to monitor brake oil temperatures, the system will pre-alarm on near overheat and if temperatures continue to rise it will alarm on overheat.

Service Truck

Throttle and PTO control: These systems incorporate various types of machine interlocks enabling an automatic throttle up control and PTO for lube / fuel dispensing when the truck is parked correctly.

	Part Number	OE Number	Description
	T0364	APN 0364	Electric Hoist Control Kit to Suit Caterpillar Trucks
	T2755	APN 2755	Engine Over RPM System Latching 24 V
	T2774	APN 2774	Water Spray Timer Variable
	T2806	APN 2806	Vehicle Over Speed and Engine Over Speed Kit 24 V
	T3813	APN 3813	Auto Throttle Controller with PTO
	T4530	APN 4530	Water Spray Timer Pulse to Suit Water Truck
	T6232	APN 6232	Automatic Water Spray Controller

	Part Number	OE Number	Description
	T6232	APN 8995	Water Spray Timer Variable with Automatic/Manual Switching
	T9914	APN 9914	Vehicle Engine Over RPM System to Suit Electronic Brake Komatsu & Caterpillar Dozers
	T10452	APN 10452	Forklift Speed Limiter Controller (Cable Throttle)
	T10910	APN 10910	Variable Spray Controller Auto/Manual Custom Program
	T10975	APN 10975	Throttle Limit Timer
	T11094	APN 11094	Multi-Purpose Speed Controller 2 x 0 - 5 V
	T11322	APN 11322	Electronic Brake Application Kit

These may not be stock items. Please speak to our sales representative about lead times. Lead times, price and availability can only be determined on receipt of an official quote from our supplier. This can sometimes take up to 3 days.
