

Universal Mount Forward Horn FH312

LONG LIFE • USED BY MAJOR OEMS • CONTINUOUS • LIGHT WEIGHT

The FH312 solid-state, electronic, universal forward horn is the light weight, long life solution specifically designed for the material-handling industry.

The FH312 is used by major OEM's and is recognised by U.L. (a global independent safety science company with more than a century of expertise in innovating safety solutions) for electric vehicles and forklifts. This FH312 can replace high-maintenance, electro-mechanical horns and meets or exceeds all applicable SAE specifications.

Suitable for industrial applications, electric vehicles and fork lifts.

Specifications

Part no.	T175214801
Model no.	FH312
Decibels	112
Sound Level	Continuous
Voltage	12-48 Vdc
Connection	Blade
Max Current	0.3
Approvals	CE, R10, U.L
Weight	681g (1lb .8oz.)
