

The **Iconiq Forklift Red Zone Warning Light** is a bright red light that shines directly on the forklift's perimeter to warn pedestrians, loaders, unmanned vehicles, and other industrial vehicles not to approach the forklift.

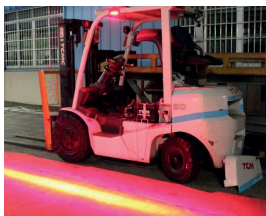

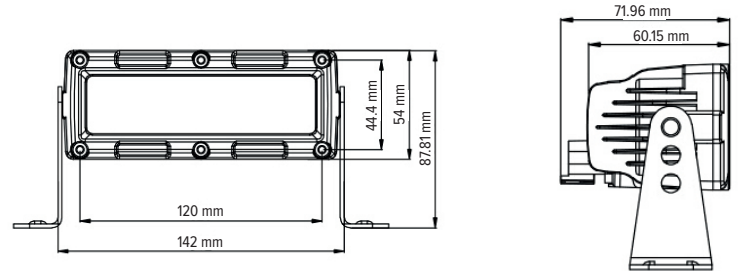

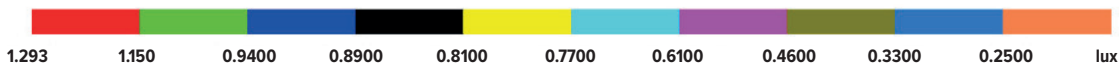

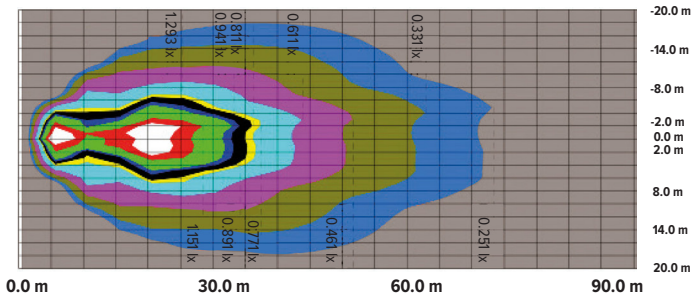

It is highly useful for safety alerts in the noisy environment of the intersection and corridor when installed at the front, rear, left, and right ends of the forklift.

SPECIFICATIONS:

- ◆ **Spot Beam**
- ◆ **9 - 64 V**
- ◆ 18 w
- ◆ 16 - 20 Watt Power
- ◆ Osram SMD 2835 LED Chip
- ◆ Emits a Red Light
- ◆ Aluminium Alloy and Stainless-Steel Construction
- ◆ IP67
- ◆ 612 - 624 nm Wavelength
- ◆ 24-Month Warranty
- ◆ CE, EMC, and RoHS Certified
- ◆ **186 x 88 x 61 mm**

PART NO: T720019729

These products may not be stock items. Please speak to our sales representative about lead times. Lead times, price, and availability can only be determined on receipt of an official quote from our supplier. This can sometimes take up to 3 days.
