

This **LED Combo Headlight** is designed with a high lumen per watt rating, it provides high quality lighting and fits where other lights just will not work. Its sleek, rugged design with superior LED electronic circuitry outperforms lights twice its size and weight. Premium LEDs produce white light that reduces eye fatigue and operator stress. Quality electronic components and advanced circuit design provides electronically quiet operation, consistent light output, and protection from voltage spikes and electromagnetic interference. The rugged design can withstand heavy vibration, corrosion, moisture, and dust making it ideal for the Agricultural market.

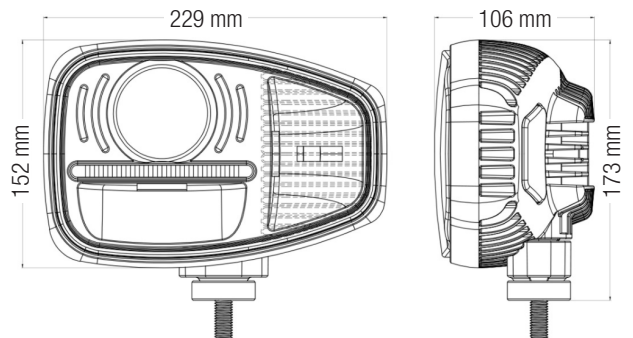

T720019759

Specifications:

Power:	82 w
Luminous Flux:	8 100 Lumens
Light Source:	CREE LED
Voltage range:	9-32 V
Waterproof Rate:	IP68
LED Lifetime:	30 000 hours
Operating Temperature:	-45° C - + 85° C
Die-cast Aluminium Housing	
PC lens	
Low Beam, High Beam, Indicator, DRL	

This may not be a stock item. Please speak to our sales representative about lead times. Lead times, price and availability can only be determined on receipt of an official quote from our supplier. This can sometimes take up to 3 days.
