# Stainless-Steel Toolbox Canopies

SAFE • SECURE • STYLISH • PRACTICAL • HIGHLY DURABLE

*Internal Set-up Customisable*

With over 30 years in the auto-electrical field-service industry, and a technical fleet of over 160 vehicles throughout southern Africa, Trysome knows how important it is to have a safe and secure means of transporting valuable tools and service equipment. So much so that we conceptualised, designed, and manufactured the ultimate Toolbox Canopy solution for field-service and emergency-breakdown applications.

Our universal, one-size-fits-all **Marauder Toolbox Canopies** are fabricated from Stainless Steel for an attractive and highly durable finish.

Our **Marauder Stainless Steel Field-Service Toolbox Canopies** are a practical way of mobilising your workshops for use in the harsh and rugged mining and industrial sectors. You can secure every tool and piece of equipment in a space designed specifically for it.

When operating remotely, efficiency, accessibility, and practicality are essential to **delivering optimal uptime** for your customer, despite the environment.
